Pre-Budget GA Stopgap Spending Measure Spring 2019

Prepared for the Fall 2018 Election GA
Prepared by Ruben Dominguez Payne and Laura Robinson

OVERVIEW & PURPOSE

For the functioning of UCMSA Universalis, it is important for funds to be spent prior to the Universalis Budget General Assembly. However, in the past, these expenditures where not approved by a GA until after they were spent.

Noticing that budget must be approved in a GA; this document is designed to bring forward any expected costs for the first 3 weeks of the Spring 2019 Semester. This measure will be attached to and included in the Overall Spring 2019 Budget Plan.
